

ILLINOIS HEALTHCARE ACTION COALITION AIMS:

- I. Illinois will foster a well-educated workforce prepared to meet future healthcare demands
- II. Illinois will advance inter-professional collaboration across the health spectrum
- III. Nurses will practice to the full extent of their education and training
- IV. Nurses will strengthen leadership skills at all levels
- V. Illinois will gather and generate data for program performance measures and outcomes to make informed decisions

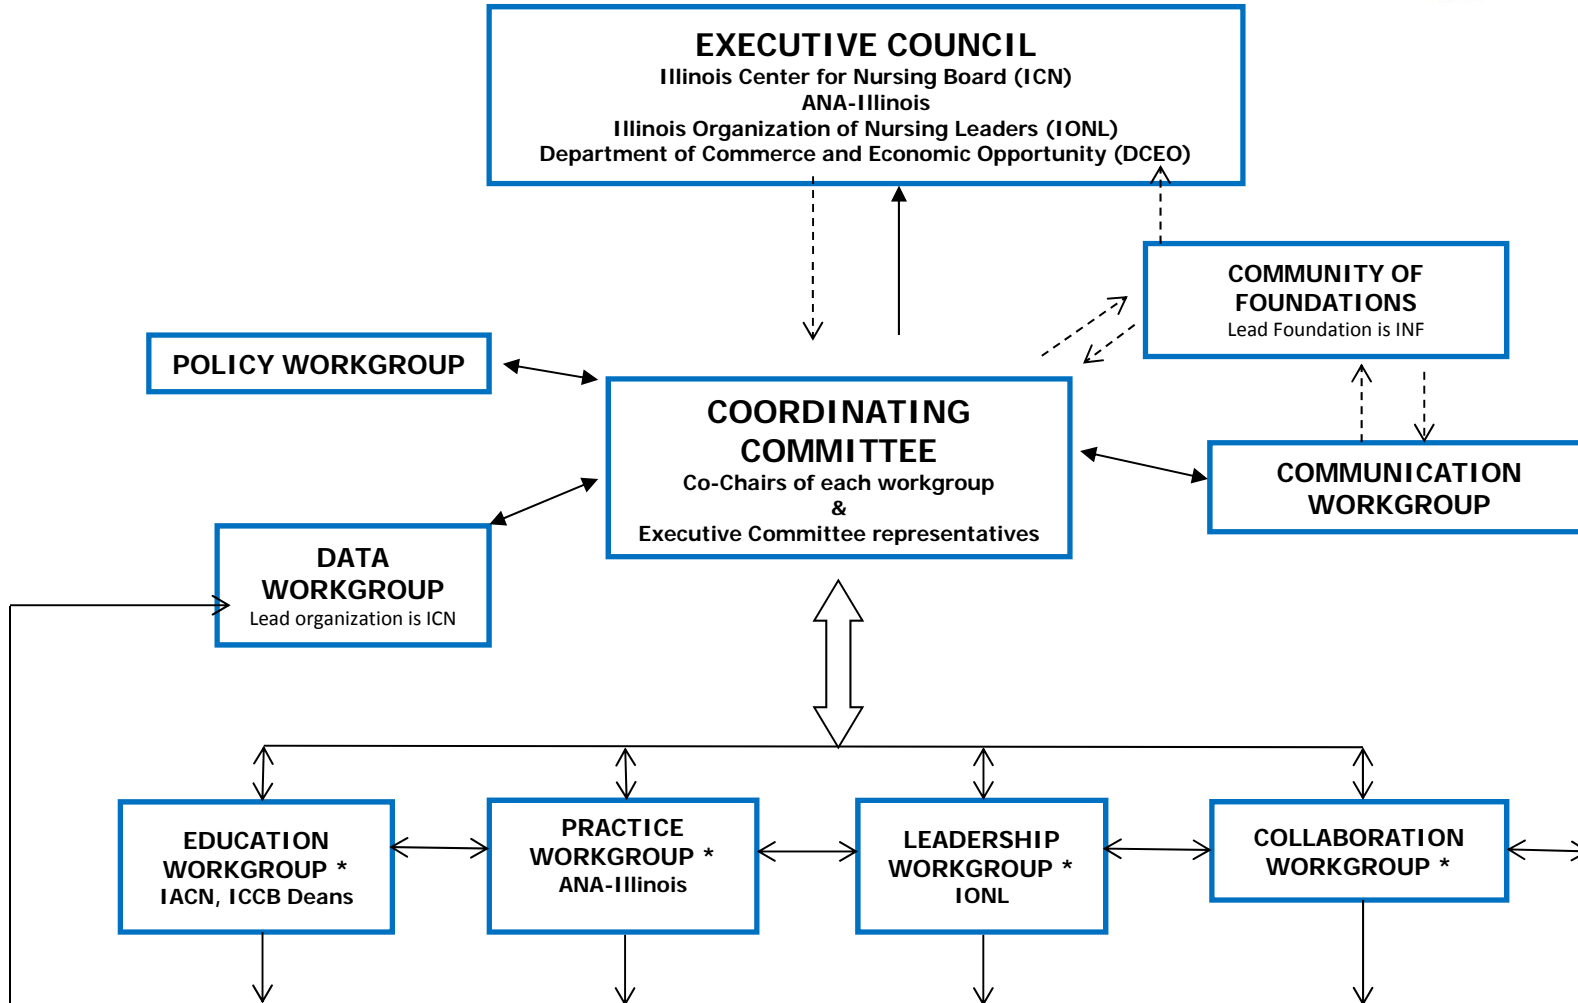

Please join us as we shape the
Future of Nursing and Healthcare in Illinois

IL Healthcare Action Coalition AIMS

1. IL will foster a well-educated workforce prepared to meet future healthcare demands
2. IL will advance inter-professional collaboration across the health spectrum
3. Nurses will practice to the full extent of their education and training
4. Nurses will strengthen leadership skills at all levels

ORGANIZATIONAL CHART

* Leaders are representatives of each organization listed.

Campaign for Action Vision: All Americans have access to high quality, patient-centered care in a healthcare system where nurses contribute as essential partners in achieving success.

Instructions: Information for each person must be typed on a separate form. Participant involvement will primarily be through one of four Workgroups: Education, Collaboration, Practice and Leadership. If you are interested in actively engaging and supporting the Illinois Healthcare Action Coalition (IHAC) you are encouraged to submit this participant information document.
